1.

Felix Oller in international drug traffic, particularly the sale of cocaine.\* His present host in Lima, Ricardo Martin Mujica, is believed to have a certain amount of his capital invested in this business.

2. Oller is said to work with Carlos Morales and Luis Taramona, two of the most important narcotics dealers in Peru. Oller and Taramona together reportedly ship 10 kilos monthly to Panama. Taramona is known to have had contacts with Paul Jimenez, recently arrested in New York, when the latter was last in Lima at the Hotel Portolotto.
